Extraordinary investment program for mountain territories and inland areas  
2021-2023.

## OBJECTIVES

The project is aimed at strengthening the sense of territorial belonging of the local communities located in the Apennine area of the Tosco Romagnolo ridge with the strategic objective of increasing the attractiveness of the area by networking between 5 different Municipalities. Among the specific objectives:

1. strengthen the local tourism sector by increasing the public cultural services of the Apennine area;
2. promote the environmental sustainability of the territory;
3. expand the offer of recreational and cultural public services for citizens.

## EXPECTED RESULTS

1. Redevelopment and refurbishment of 5 public buildings to be returned to local communities with new cultural and hospitality services;
2. Strengthening of the territorial governance of the Apennine area;
3. Increased attractiveness of the Apennine area.

## INTERVENTIONS by RETRAINING

1. Municipality of Bagno di Romagna: construction of the new "Roccaccia Bridge", for the pedestrian crossing of the Savio river.
2. Municipality of Sarsina: redevelopment of the village of Calbano - 1st section.
3. Municipality of Verghereto: restoration and restoration of the pavement of Piazza San Michele, within the historic center
4. Municipality of Premilcuore: conservative restoration of the former slaughterhouse in the historic center, adjacent to the river Rabbi.
5. Municipality of Santa Sofia: intervention for the recovery and enhancement of the "Sala Milleluci" public building and related areas, to be used for public services relating to artistic, cultural and educational activities.
